Note by the Secretariat

1. In accordance with paragraph 8 of the annex to Economic and Social Council resolution 2008 (LX), the fifty-eighth session of the Committee for Programme and Coordination is tentatively scheduled to be held at Headquarters from 4 to 29 June 2018.

2. In its resolution 1988/77 on its revitalization, the Council reiterated that the Secretariat should circulate relevant documentation in all working languages six weeks before the opening of the sessions of the Council and its subsidiary organs.

3. In its resolution 53/208 B on the pattern of conferences, the General Assembly: (a) reiterated its request to the Secretary-General to ensure that documents were available in accordance with the six-week rule for their distribution simultaneously in the six official languages; (b) reaffirmed its decision that, if a report was issued late, the reasons for the delay should be indicated when the report was introduced; and (c) decided that, if a report was submitted late to the conference services, the reasons for the delay should be included in a footnote to the document.

4. In section IV of its resolution 64/230 on the pattern of conferences, the General Assembly expressed deep concern at the unprecedented high level of late submission of documentation, which, in turn, had a negative impact on the functioning of intergovernmental bodies, and, reiterating its request in its subsequent resolutions on the pattern of conferences, the latest of which was resolution 72/19, urged author departments to fully adhere to deadlines in meeting the goal of 90 per cent submission compliance.

5. Also in its resolutions on the pattern of conferences, the General Assembly reiterated its request that the Secretary-General direct all departments of the Secretariat to include the following elements in their reports:

(a) A summary of the report;

(b) Consolidated conclusions, recommendations and other proposed actions;

(c) Relevant background information.

7. In section IV, paragraph 66 of its resolution 72/19 on the pattern of conferences, the General Assembly reaffirmed its decision in section III, paragraph 9, of its resolution 59/265 that the issuance of documents in all six official languages on planning, budgetary and administrative matters requiring urgent consideration by the General Assembly should be accorded priority.
